

Wordbar Features & Benefits

- **Ideal Directional & Informational Signage**

Ideal for wayfinding and parking.

- **EZ Change System**

Our exclusive, two part mounting extrusion allows you to quickly and easily change any wordbar regardless of its placement on the sign by simply removing a few tamper resistant screws. No more tearing the whole sign apart just to change out a wordbar.

- **Variety of Sizes & Options...**

Wordbars come in 2-1/4", 4", 6", 8", 10", 12", 15" or 18" bars, and can be Single or Double Sided. Create custom configurations with our variety of posts, including our corner slot post and double slot post.

- **Versatility**

Can be used in conjunction with our other sign systems in a number of configurations.

- **Several Mounting Options Available**

Choose from direct embedment, welded base plates or sleeve mount.

- **Manufactured From High Quality 6063T5 Alloy Aluminum**

All product components and hardware made from quality materials.

- **Easy Assembly & Installation**

Frame assembly slides into slotted post for easy assembly. Concealed locking squares hold the frame securely in place.

- **Long Lasting - Easy Maintenance...**

Post and panel signs are easily maintained in the field.

- **Standard Duranodic Bronze Finish**

Our standard finish is Duranodic Bronze. Custom colors are available using AKZO NOBEL, plus a polyurethane enamel topcoat developed for application to metal signage components.
